Mandatory Unit Sale Price (USP)

Reference: G.S.R. 779(E) (Nov 2021 / In Force Jan 2022)

Introduced Rule 6(1)(e) mandating Unit Sale Price for all commodities sold in packages. For commodities ≤ 1 kg, price per gram/ml; for > 1 kg, price per kg/litre. Removed Schedule II Table 2 to standardize font height calculation strictly by Principal Display Panel area.

Electronic Products & QR Code Provisions

Reference: G.S.R. 574(E) (Aug 2022)

Permitted declaration of certain statutory declarations (except MRP, Net Quantity, Consumer Care and Country of Origin) via digital optical Quick Response (QR) codes for electronic products and devices.

Loose Garments and Hosiery Exemption Clarification

Reference: G.S.R. 858(E) (Dec 2022)

Amended Rule 26 to clarify marking requirements on retail apparel sold loose vs packaged form, mandating size, dimensions, and fabric composition.

Deceptive Packaging & Shrinkflation Directives

Reference: Advisory No. WM-10(5)/2022

Issued statutory directive to State Controllers of Legal Metrology to scrutinize packaged goods where quantity is decreased while keeping price constant without prominent front-of-pack notification.

Dual MRP Enforcement on E-Commerce Platforms

Reference: Advisory No. WM-09(1)/2023

Enjoined all digital e-commerce marketplaces to display full MRP, Unit Sale Price, and manufacturing dates as required under Rule 6(10). Discrepancy between web listing price and physical package label deemed prosecutable under Section 36(1).

Digital Inspection Enforcement: Field enforcement squads equipped with the PAKSHYA AI inspection platform are authorized to cross-verify online marketplace disclosures against physical warehouse SKU inventory in real-time.
